

Staff Accountant

Position Description

Beacon Funding is looking for a Staff Accountant with a Bachelor's Degree in Accounting and 1-3 years of experience. Candidates must be computer literate with prior experience with G&L and Financial Statements. Knowledge of CR Accounting, LeasePlus or ProFX is a plus.

Title Staff Accountant **Location** Northbrook, IL

Company

Founded in 1990, Beacon Funding is a leading company providing small-ticket equipment financing services to businesses throughout the United States. Beacon Funding has established itself as a premier, full-service provider of equipment financing solutions to all types of businesses, new and established, throughout a wide range of industries.

Beacon Funding is always searching for self-motivated professionals to join its team, whether new or experienced.

Job Responsibilities

Lease Entry

- Review imported lease information in Lease Plus system
- Make any changes or corrections as needed
- Generate invoices and apply prepaid money

Accounts Payable

- Enter invoices into CR Accounting system
- Cut checks, process ACH's or wire transfers for all invoices

Oversee cash receipts process

- Record NSF and miscellaneous lease charges
- Verify daily cash deposit postings including wires and ACH's
- Reconcile monthly cash receipts reports to bank reconciliation

Generate billings in Lease Plus system

- Run delinquency process
- Generate invoices for the next period
- Print out invoices for processing

Preparation of sales tax and property tax returns

- Prepare multi state, county and city sales and property tax returns
- File monthly, quarterly, semi-annual and annual returns online
- Oversee the payment of returns via check
